Email: infoservice@chiltonwi.com

Greetings from the Mayor's Desk!

As 2021 comes to a close, I want to give thanks for another great year for the City of Chilton, highlight some notable accomplishments, discuss the census and changes that affect the city, and finally discuss some financials.

First, thank you to all citizens and city support staff for working together to get through the garbage and refuse collection debacle that lagged on this summer and into fall. The city had to act fast to change carriers, and the process was handled well by all involved. Prices were increased for services, but the city is in good hands for the next 10 years with a strong contract with GFL.

The Court Street reconstruction project was completed under budget which allowed the city the option of additional blacktop work west of the Courthouse. Timelines for completion prior to the start of the school year became a challenge as supply chain problems affected availability of materials for work to be completed. Sometimes the reward is worth the wait as another prominent corridor in the city is in great condition and will last for years to come.

Chilton continues to show signs of continued growth. Six new homes were constructed in 2021, and the 2020 census revealed the population of Chilton is now 4080. Copies of the new city ward map can be obtained at City Hall or can be found on the city webpage www.chilton.govoffice.com under the Residents/Visitors tab in the News/Announcements section. Alderperson contact information is included in this newsletter and I encourage all residents to contact them at any time when concerns need to be heard.

Financially speaking the city remains in excellent shape. An amended budget passed by the Common Council, which increases the city portion of the tax bill, will allow the city to retire all long-term debt and prepare for future expenditures that are being revealed as project planning continues to be completed. The reassessment of all properties within the city was offset greatly this year by a drastic reduction in the mill-rate. Last year the rate per thousand of valuation was \$22.46. This year the rate drops significantly to \$18.75.

2022 already looks very encouraging. The city recently completed the purchase of Dairyland Estates Subdivision, and I am happy to report six lots are already under contract for new home construction along South Irish Road. The city is now aggressively seeking developers for the 24-remaining shovel-ready residential lots as well as commercial partners to occupy space on the newly annexed and soon to be developed commercial corridor along Highway 151. This area in general, will see a lot of attention in spring as the Highway 151 and Irish Road intersection will be reconstructed, South Irish Road will be urbanized with curb and gutter to city limits, and SC - Swiderski will be starting on the first phases of the 102-unit multi-family development.

As always, I want to remind all residents to share input, ideas, and comments with myself, members of the Common Council and the City Hall staff. My office hours at City Hall remain Monday and Wednesday mornings, and Tuesday afternoons. Season's greetings to you all, and a Happy and Prosperous New Year!

Sincerely,
Mayor Thomas J. Reinl

Property Tax Payments

Payment is due January 31, 2022, unless the installment option is indicated on the tax bill and can be paid in the following ways:

- If you choose to pay your taxes in full, payment is due by January 31.
- If you choose to pay your taxes in two installments. The first installment is due by January 31 and the second installment is due by July 31.

Delinquent tax notices are mailed in February and August of each year.

Payment Methods: Payments may be made by cash, check or credit card. Checks payable to Calumet County Treasurer.

- **Drop Box:** Calumet County Courthouse has a drop box installed on the southwest corner of the Courthouse Main Building (near wheelchair access parking)
- **In Person:** Payments can be made at Calumet County Courthouse—Treasurer's Office, First Floor, 206 Court Street, Chilton, WI 53014
Hours: Monday thru Friday
8 a.m. to 4:30 p.m.
- **Mail:** Payments that are mailed must be post marked no later than the payment due date. *Include a self-addressed envelope for receipt*
- **Online/Credit Card/Echeck:** <https://ascent.co.calumet.wi.us/LandRecords/FinancialTransaction/TaxBillCart>; Service fees apply 2.39% for credit card; \$1.50 for an Echeck

Wisconsin Lottery/Gaming Credit

If your home is your primary residence, your property tax bill should include a Wisconsin Lottery and Gaming Credit. You are eligible for the credit if you occupy the home and it is your primary residence as of January 1 of the year the property taxes were levied. If your property tax bill does not show the credit, please contact the Calumet County Treasurer's Office at (920) 849-1457.

Forms: <https://www.revenue.wi.gov/Pages/Form/lottery-home.aspx>

Wheel Tax

Effective February 1, 2022 a wheel tax will be applied to the annual vehicle registration fee for each vehicle you own.

- The fee is \$20 per vehicle per year (Not per wheel)
- Only on vehicles registered in the City of Chilton
- The Wisconsin Department of Transportation collects the wheel tax fee and keeps an administrative fee of \$0.17 per vehicle, the remaining \$19.83 will be returned to the City of Chilton
- All revenue collected shall be placed in a segregated fund for the purposes of repair, reconstruction and resurfacing of roads.

For more information regarding wheel tax, see DOT website: <https://wisconsindot.gov/Pages/dmv/vehicles/title-plates/wheeltax.aspx>

Lake Management Plan

The City of Chilton has contracted with Onterra to construct a Lake Management Plan for Chilton Millpond, commonly referred to as Lake Chilton. This Lake Management Plan will discuss the current health, rehabilitation and protection of Lake Chilton. Management, protection, enhancement alternatives and recommendations will be presented, along with continued public education issues. Furthermore, this report will provide remedial actions, further study options, if needed, along with possible funding options for the City of Chilton and the Department of Natural Resources.

Comprehensive Outdoor Recreation Plan Update

The City of Chilton has hired MSA Professional Services to develop a Comprehensive Outdoor Recreation Plan. This Plan will include all of the City Parks. Current and potential future uses will be evaluated for all the City's outdoor facilities. The draft copy of the final plan is set to be reviewed in late 2021 which includes improvements to existing parks and recreational facilities, identification of proposed recreational trails or bike routes and proposal of new park facilities including any neighborhood parks, community parks, regional parks or special use facilities.

The Common Council is scheduled to vote on accepting the plan in early 2022.

Christmas Tree Collection

Christmas tree collection is scheduled with Residential Brush Collection, January 24, 2022. Call-in basis. Contact City Hall at (920) 849-2451 to schedule a pick up.

Water Meter Replacement

City of Chilton is committed to providing residents with safe, reliable and cost-efficient water services. Replacement of older meters ensure customers will be billed fairly and accurately.

Once again, the City of Chilton will start their water meter testing program where residents/commercial properties will have their water meters tested on a rotating schedule. Chilton Water Department personnel will test and replace the water meter and perform a cross connection inspection as required by Public Service Commission.

Residents or commercial property owners who are scheduled to receive a water meter replacement will be contacted with specific information about the process.

2022 Election Information

Election Dates

Spring Primary—Feb. 15, 2022
Spring Election—April 5, 2022
Partisan Primary—Aug. 9, 2022
General Election—Nov. 8, 2022

Polling Location for all Wards

**Chilton City Hall
Community Room
42 School Street
Chilton, WI 53014**

Polling Hours: 7 a.m. to 8 p.m.

- New residents of Chilton who are 18 years of age and have resided at their current address 28 days prior to an election will be required to register to vote.
- Residents who have moved within the jurisdictional boundaries of Chilton or changed their last name since the last election will be required to re-register to vote.
- Residents may update or register to vote on-line at **MyVoteWisconsin** website. On-line registration closes 20 days prior to Election Day. This means that you will not be able to finalize your registration on-line, but will be required to print the application and deliver it to the Clerk's Office. Proof of Residency at the time of registration will be required.
- Absentee Voting: Ballots are not automatically sent to electors in the State of Wisconsin. Electors must apply to receive a ballot by mail. Apply on-line at **MyVoteWisconsin** website or print, complete and deliver to the Clerk's Office one of the following applications (Calendar Year Absentee Ballot Application or Permanent Absentee Ballot Application). An acceptable photo ID must accompany your application.
- **DEADLINE Absentee Ballot:** Deadline in making an application to receive an absentee ballot by mail is 5 p.m. on the fifth day before the election.
- Absentee Ballot must be received no later than 8 p.m. on Election Day. You can either mail it back

Continued

to City Hall; place in drop box next to the front doors of City Hall; or hand deliver it to the Clerk's Office.

- Absentee voting in-person begins 14 days before Election Day. No ballots may be taken from the Clerk's Office.
- Whether voting at the polls on Election Day, in-person at the Clerk's Office or receiving an absentee ballot by mail, you must provide a photo ID. Anyone who does not have a state driver's license or state ID card may obtain one free for voting purposes at the Wisconsin Department of Motor Vehicle. EXEMPT: Military, permanent overseas and confidential electors, elderly voters, and voters with disabilities.

Veterans Memorial

Applications to add new veterans' names to the Veterans' Memorial at Chilton's Klinkner Park begins annually on November 1st and runs until March 1st. Names are only added to the memorial once a year.

Chilton Veteran's Memorial Form must be submitted along with the Form DD214. Chilton Veteran's Memorial Form is available on the website: www.chilton.govoffice.com or at City Hall, 42 School Street. Form DD214 can be obtained at the Veterans Service Office at the Calumet County Courthouse, 206 Court Street, Chilton.

Nameplates to honor individual veterans are available in two sizes:

- 4"x8" Plate—Cost \$240
- 8"x8" Plate—Cost \$375

Forms and payment can be brought to Chilton City Hall, 42 School St. Questions can be directed to Chilton City Hall at (920) 849-2451.

Veterans Memorial Donations

Donations made to the Chilton Veterans Memorial Fund are used to assist with beautification of the memorial and surrounding grounds.

Donations can be made to: City Hall, Veterans Memorial, 42 School St., Chilton, WI 53014

DONATE

2022 Facility Reservations

Reservations for park shelters and the City Hall Community Room can be made on a first come, first serve basis starting January 4, 2022. Park facilities may be rented from May 1st to September 30th each year. City Hall rooms are available to rent year round. All reservations require a completed Rental Agreement and payment within two weeks of making the reservation.

Park shelter reservations include the use of volleyball net, volleyball and horseshoes, which need to be reserved upon booking your event.

- **Hobart Park**, 231 W. Chestnut St. has a shelter, electricity, grill, and picnic tables.
- **Klinkner Park**, 815 Memorial Dr., has an open shelter, electricity, grill and picnic tables.
- **Nennig Park**, 224 Dove Ave., has a shelter, electricity and picnic tables.

City Hall rooms available for rent are as follows:

- Community Center with Kitchen facilities (Main Level)
- Band Room (Lower Level)
- Youth Group Room (Lower Level)

General information, policies and fees/charges pertaining to the reservation and use of facilities can be obtained from City Hall at (920) 849-2451.

City Park Donations

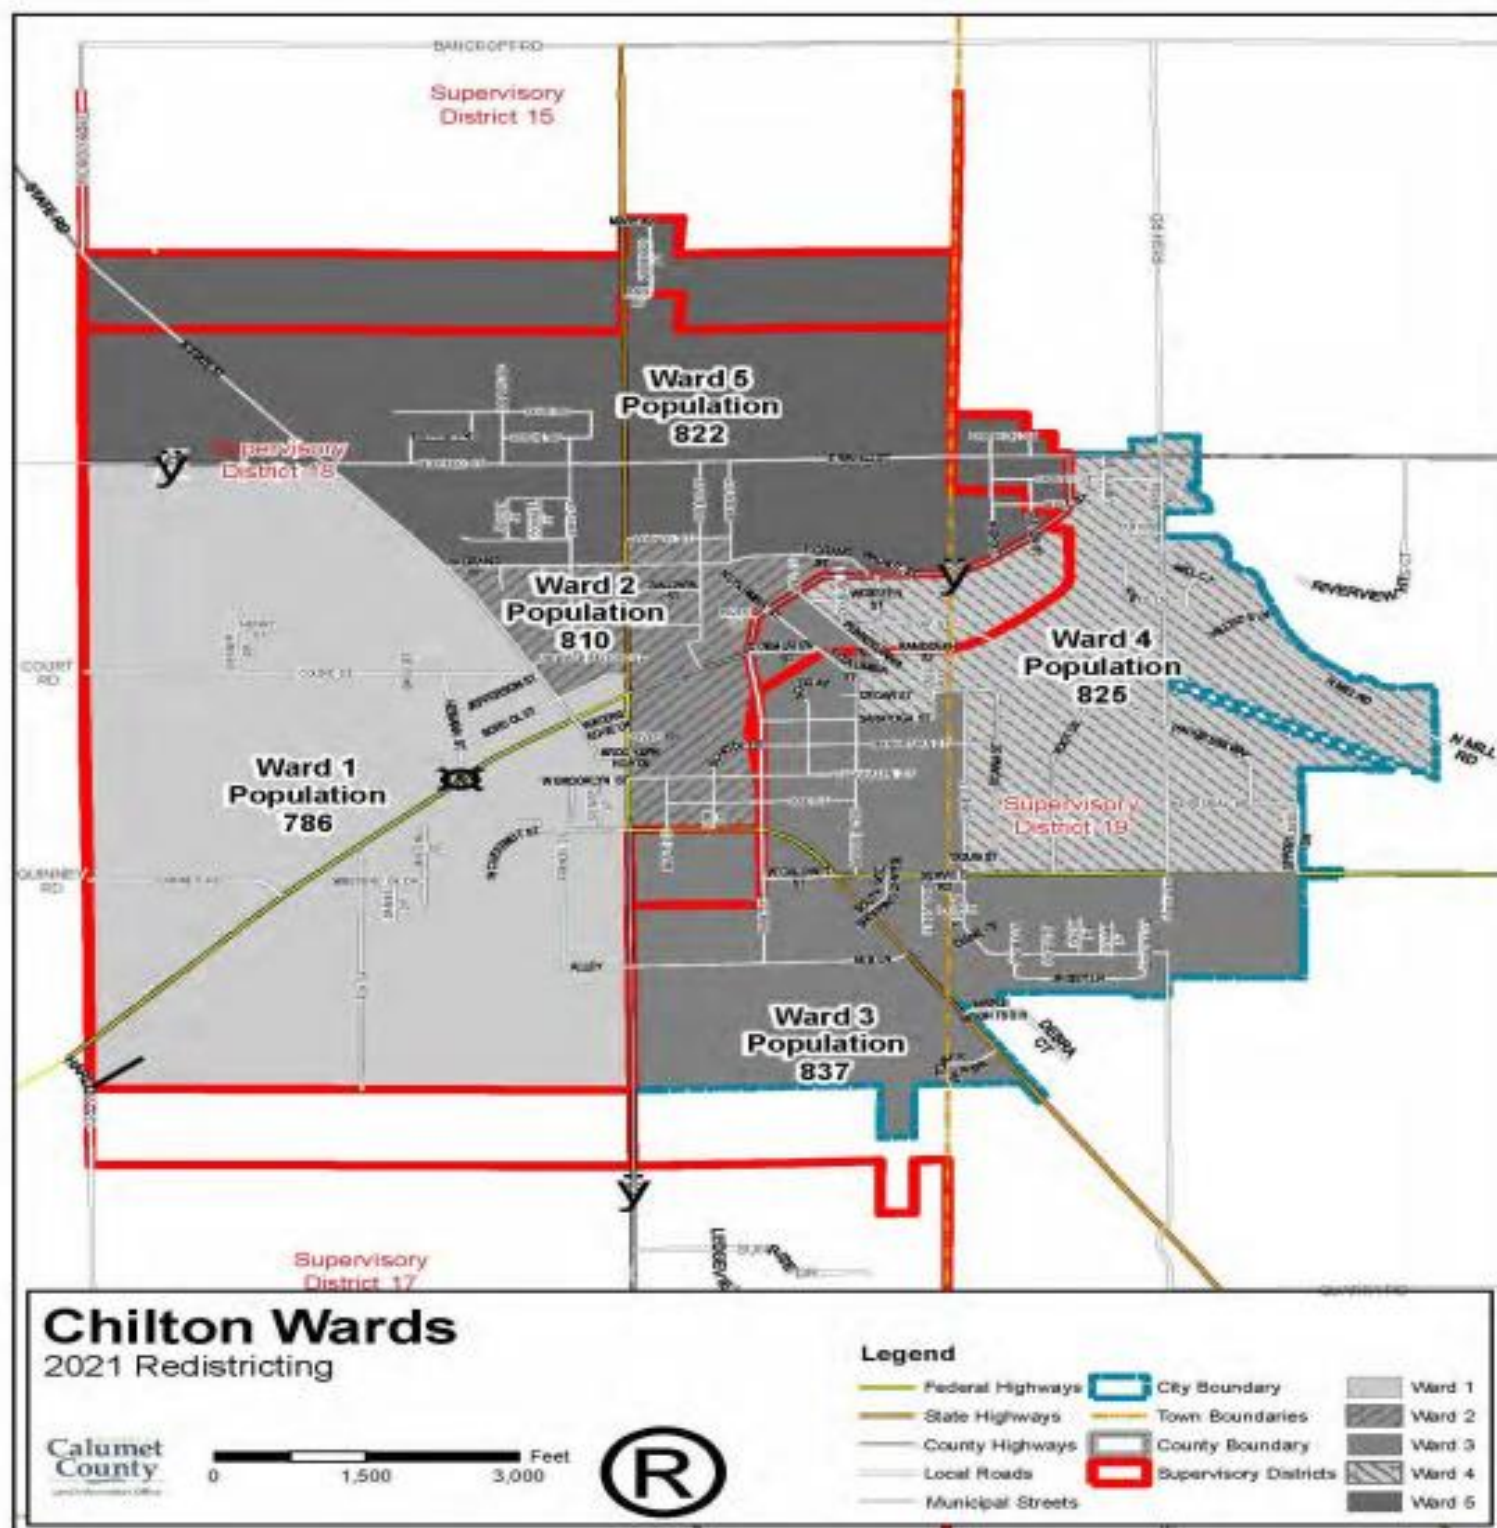

Donations made to the Chilton City Parks System will help enhance and beautify our parks and public spaces. Each donation will help assure that our most precious natural resources are cared for and protected now and for future generations.

Donations can be made to: City Hall, City Park Donation, 42 School St., Chilton, WI 53014

Calumet County Redistricting 2021

Under Section 59.10 of the Wisconsin State Statutes, county governments in Wisconsin must create new county board district boundaries every ten years, immediately after the federal census. Counties begin the decennial redistricting process with a "clean slate." All existing district and ward lines are erased, and a county is able to draw new lines based on the results of the 2020 decennial census to reflect any population shifts. This is a strictly non-political process that employs traditional concepts of redistricting including compactness, contiguity, and substantial equivalence of population.

Therefore the City of Chilton redistricted the boundaries of its Aldermanic Districts by an ordinance introduced at a regular meeting of the council, published as a Class 2 Notice and thereafter adopted by the majority vote of all the members of the council. Adoption of the Aldermanic District Plan needed to be accomplished by November 10, 2021 per Wisconsin State Statute § 62.08(1). The City Administration worked diligently with the County to commence the redistricting process with the City Council adopting the proposed Aldermanic District changes on October 19, 2021. Please view the below listed map to see if your Aldermanic District has changed. Map can be viewed on the City Website: www.chilton.govoffice.com

Monthly Brush Pick Up

Brush is picked up for residential properties on the fourth Monday of each month on a Call-In basis. To schedule a pick up contact City Hall at (920) 849-2451. Brush must be no larger than 6 inches in diameter, uniformly piled and placed parallel to the street with cut ends lying in the same direction. Residents may bring their loose leaves, grass clippings and garden waste to the City Garage, located at 908 Maple Street (behind Kwik Trip). Residents are also able to pick up wood chips or compost at no charge when available. **Yard waste site is open to City of Chilton residents only.**

(920) 849-2451	Jan	Feb	Mar	Apr	May	June	July	Aug	Sept	Oct	Nov	Dec
Brush Pick Up	24	28	28	25	23	27	25	22	26	24	28	27

Garbage/Recycling Pick Up

The City of Chilton has contracted with GFL Environmental for garbage/recycling services. Garbage collection is collected weekly on Tuesday's. No loose trash will be collected outside of the garbage cart. Recycling service is picked up every other week (see schedule listed below). Routes will be pushed back by one day to Wednesday, when it follows a holiday that is observed on the normal service day (those dates are noted with an asterisk (*) on the schedule).

Residents should place their carts to the curb the evening prior to their assigned collection day. Carts need to be placed behind the curb line (out of the road) immediately adjacent to the property. Do not place carts on snowbanks. Instead place the cart on your driveway apron or clear an area on your terrace to allow crews access to your cart. Do not overload your garbage/recycling carts as your lids must close completely. Place your cart 4 feet from other objects on the terrace such as other carts, mailboxes, trees, etc. for the truck arms to grab the cart. Opposite side of driveway is recommended. Do not park vehicles in front or near the cart.

Residents can dispose of large/bulky items either by contacting a contractor of your choosing or haul the item to Hickory Meadows Landfill LLC, W3105 Schneider Rd., Hilbert. Fee may apply. Contact them at (920) 853-8553.

For any issues or concerns with garbage or recycling services, please contact City Hall at (920) 849-2451.

Recycling	Jan	Feb	Mar	Apr	May	June	July	Aug	Sept	Oct	Nov	Dec
North of Main	4, 18	1, 15	1, 15, 29	12, 26	10, 24	7, 21	6*, 19	2, 16, 30	13, 27	11, 25	8, 22	6, 20
South of Main	11, 25	8, 22	8, 22	5, 19	3, 17	1*, 14, 28	12, 26	9, 23	7*, 20	4, 18	1, 15, 29	13, 27

General Guideline for accepted recycling materials – All items must be CLEAN OF FOOD

Plastic: Includes plastic bottles and containers, dairy containers/lids, soda /water/other drink bottles, food/household bottles/jars/jugs, produce, bakery & deli containers/lids. **EMPTY AND RINSE** all bottles and containers. **REMOVE AND DISCARD** all screw caps.

Paper: Includes milk, juice and soup cartons, newspapers, inserts, cardboard and paperboard (food boxes), junk mail and office paper; phonebooks, magazines, books and catalogs. Place shredded paper in paper bag, secure and staple shut. Cut boxes to 2' x 2' or smaller

NOT ACCEPTED: No plastic bags, wrap or film. No tissue paper or gift wrap. No motor oil bottles. No Styrofoam. No paper contaminated by food/grease. No pet food bags. No aluminum pans/foil. No empty paint cans. No window glass/ceramics or China. No Tires. No electronics. No batteries. No lightbulbs.

Water/Sewer Rate Changes ~ Effective December 15, 2021

The Public Service Commission of Wisconsin ordered the following rate schedule for the City of Chilton

WATER RATES				
Quarterly Service	Per Meter Size		Public Fire Protection	
Meter Size	2021 Rate	2022 Rate	2021 Rate	2022 Rate
3/4 inch	\$16.24	\$16.73	\$3.54	\$3.65
1 inch	\$36.88	\$37.99	\$8.86	\$9.13
1 1/4 inch	\$51.66	\$53.21	\$13.10	\$13.49
1 1/2 inch	\$62.72	\$64.60	\$17.71	\$18.24
2 inch	\$99.63	\$102.62	\$28.34	\$29.19
3 inch	\$177.10	\$182.41	\$53.15	\$54.74

Water Softening and the Environment—Do You Need a Water Softener with City Water?

The Wisconsin Department of Natural Resources (DNR) and Environmental Protection Agency (EPA) is working with the City of Chilton to reduce chlorides through voluntary measures. The DNR/EPA has set limits on the discharge of chlorides from the City's Wastewater Treatment Plant. Treating for chlorides require exotic treatment technologies that are extremely cost prohibited, therefore the only feasible way to reduce chlorides discharged from the treatment plant is to reduce the amount of chlorides sent down the sewer. In turn **WE NEED YOUR HELP** because if we are not successful the DNR/EPA may mandate expensive measures that will impact sewer rates in the future.

The City of Chilton softens the water already that comes into your home and business with large municipal ion-exchange (salt) softeners. The water supply is softened to an average hardness of 7 grains per gallon. The salt used by the municipal softeners and each homeowner's softener passes through the Wastewater Treatment Plant and ends up in neighborhood lakes, streams, rivers, and groundwater. Also, the salt spread on roads, driveways and walks end up in lakes, streams, rivers, and groundwater. The cumulative effects of the salt used can have toxic effects for aquatic plants and animals.

ALL RESIDENTS are REQUIRED to obtain a BUILDING PERMIT for the installation or replacement of an existing water softener. Per City of Chilton Municipal Code, owners of water softeners that were installed after July 1, 2007 must meet the high-efficiency criteria or Demand Initiated Regeneration (DIR) Unit. The City of Chilton Municipal Code states the following:

12.04(3)(f) New Water Softener Requirements: All new residential water softeners installed after July 1, 2007 shall be subject to the following:

1. The softener shall have Demand-Initiated Regeneration (DIR) controls and shall meet the "High Efficiency Softener" standards of the Water Quality Association which are 3350 grains hardness removed per one pound of salt.
2. The owner shall have the softener **INSPECTED EVERY FIVE YEARS** by a qualified technician.
3. A copy of said inspection report shall be forwarded to the City of Chilton Wastewater Department.

WATER RATES		
Quarterly Volume	2021 Rate	2022 Rate
First 50,000 gal used	\$3.69	\$3.80
Per 1,000 gal		Per 1,000 gal
Next 150,000 gal used	\$3.08	\$3.17
Per 1,000 gal		Per 1,000 gal
Next 800,000 gal used	\$2.60	\$2.68
Per 1,000 gal		Per 1,000 gal
Next 5,000,000 gal used	\$2.22	\$2.29
Per 1,000 gal		Per 1,000 gal
Over 6,000,000 gal used	\$1.92	\$1.98
Per 1,000 gal		Per 1,000 gal

Sewer service charges for domestic wastewater, per Section 12.04 of the City of Chilton Municipal Code.

SEWER RATES		
Quarterly Service		
Meter Size	2021 Rate	2022 Rate
3/4 inch	\$38.26	\$39.41
1 inch	\$76.53	\$78.83
1 1/2 inch	\$153.07	\$157.66
2 inch	\$229.60	\$236.49
3 inch	\$306.14	\$315.32
Volume		
	\$3.38	\$3.48
	Per 1,000 gal	Per 1,000 gal

Soft water provided by a utility **DOES NOT NEED ADDITIONAL SOFTENING** and may cause corrosion issues for your home. If the hardness is set too high (water soften once by the utility and then again by the homeowner) then the softener will cost more to operate and waste water, costing you extra money. Water softening is a major contributor to high chloride effluent limits. By softening more water than what is really needed, you increase the cost of operating your softener (in terms of increased payments for salt and energy), and ultimately, more salt will enter the environment because of increased softener regenerations and increased chloride effluent concentration.

Therefore, the City of Chilton is working diligently to meet the DNR/EPA chloride effluent limits on the discharge of chlorides from the City's Wastewater Treatment Plant.

City of Chilton residents should notify the Wastewater Treatment Plant, at (920) 464-0505, if you have a working water softener system or a non-working water softener that is no longer being used so records can be updated and meet DNR/EPA mandates.

Winter Parking Restrictions

City of Chilton
Municipal Code
Chapter 4.06(5)
are placed on
any vehicle

between **November 1 to April 15:**

- (a) No person shall park or leave standing any vehicle or equipment upon any of the streets or alleyways of the City between 1 a.m. and 6 a.m.
- (b) Alternate Side Parking: Alternate parking is required for vehicles in residential areas during the daytime. Alternate parking means on even numbered calendar days a vehicle must be legally parked on the side of the street with even house numbers, on odd numbered calendar days a vehicle must be legally parked on the side of the street with odd house numbers.

Parking Fine Information

Nov. 1-Apr. 15 (1 am to 6 am).....\$25
Alternate Side Parking.....\$25

Additional penalties will be assessed along with suspension of license plates through the Department of Transportation for any unpaid parking tickets incurred.

Exterior Storage in Residential Districts

Chilton Municipal Code 16.10 PERFORMANCE STANDARDS (1) EXTERIOR STORAGE IN RESIDENTIAL DISTRICTS. All materials/equipment shall be stored within a building or fully screened so as not to be visible from adjoining properties, except for the following; laundry drying and recreational equipment, construction, and landscaping materials and equipment currently being used on the premises, agricultural equipment and materials if these are used or intended for use on the premises. Boats/unoccupied trailers, less than 30 feet in length, are permissible if stored in the rear yard more than 5 feet from any property line on an impervious surface and moved every 12 months. Seasonal storage of boats/unoccupied trailers, less than 30 feet in length is permissible on a side yard (not street side) on an impervious surface. No person shall park a vehicle, boat or trailer on a front yard or street side yard of any lot used primarily for residential purposes. All parking is required to be on an impervious surface and on an approved driveway per Municipal Code 16.10

Winter Snow/Ice Regulations

Property owners, occupant or person in charge is responsible for cleaning

snow and/or ice off of all sidewalks within 36 hrs. of weather event (snow, sleet, drifting, etc.) If neglected, the Department of Public Works shall have the snow and/or ice removed and will charge the responsible party. No written notification will be given to property owners. Fee are listed below:

- 1st Offense—50¢ per foot plus 25% Administrative Fee
- 2nd Offense—50¢ per foot plus 25% Administrative Fee plus \$50 Surcharge
- 3rd Offense—50¢ per foot plus 25% Administrative Fee plus \$100 Surcharge
- 4th and Subsequent Offenses—50¢ per foot plus 25% Administrative Fee plus \$200 Surcharge

A reasonable amount of sand/salt mixture may be procured from the City Garage, 908 Maple St., Chilton (behind Kwik Trip) to prevent slippery or icy sidewalks.

Snowmobile Routes

Snowmobilers are requested to stay on marked trails. Those who do not stay on the trails are trespassing and may be prosecuted.

Snowmobile Routes/Map:
www.chilton.govoffice.com

Street/Sidewalk Winter Maintenance

To maintain safety on city streets and sidewalks Chilton Municipal Code prohibits any person from throwing, blowing, placing or piling any snow or ice on any city street or sidewalk. This also pertains to depositing snow blown, plowed or shoveled onto any city right of way. Artificial snow accumulations can create a traffic or pedestrian hazard. Violators may be ticketed and the expense to clear the hazard paid by the property owner.

When removing snow from the end of your driveway, pile it on the right side when facing the street. This will allow the snowplow driver to push snow away from, rather than back onto your

Smoke/Carbon Monoxide Detectors

The Chilton Fire Department reminds community members to maintain their smoke/carbon monoxide detectors. If you have experienced a power outage this year, make sure to replace the batteries.

Detectors are good for 7-10 years depending on the date of manufacturer. Causes of false detector calls are low battery power, end of detector life codes or beeps, or bad location of detector (too close to kitchen/bathroom). Your help to keep false calls to a minimum is appreciated.

5 Easy Maintenance Tips

- Replace batteries annually
- Test your detectors
- Make sure detectors are in right location
- Keep detectors clean of debris
- Look into false alarms of detectors

**Only Working
Smoke Alarms
Save Lives**

Adopt A Fire Hydrant

Drifts created by snow plows can cover fire hydrants making them difficult to find. In the event of a fire, firefighters must locate and shovel out fire hydrants before hooking up to them, wasting precious time. Let's work together and make sure each neighborhood hydrant is clear of snow by shoveling a 3 foot clearance on all sides of the hydrant.

KEEP THEM CLEAR

If there's a fire hydrant near your house, do your part to keep it accessible this winter:
